

Full Pool Modernization

Will be complete for
opening 2021 Pool
Season!

Work has begun
March 2021

NEW:

Natural Stone Coping
Stone Interlock Decking
New Pool Liner
New Pool Pump

352 Glenlake Pool Modernization

Stone Interlock Decking from side gate and around patio side of pool to the shed

New Pool Pump

New Natural Blue Pool Liner

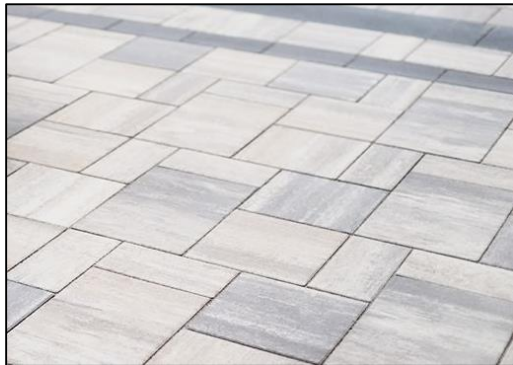

White Edging Replaced with Natural Stone Coping

352 Glenlake Pool Modernization

Natural Stone Coping:

White plastic edging around the pool will be removed and replaced with natural stone coping. Dove Grey color to compliment the new interlock decking on deck side of house

Stone Interlock Decking: *Trevista Smooth Glacier Creek*

From entrance to the back yard (starting at gate), extending around the patio side of the pool all the way to the shed. Grass on north side of the pool outside of shed will remain for green space in sun.

Pool Pump:

New pool pump will be installed as part of the pool modernization

Pool Liner:

New Pool liner installed at opening to give pool new fresh look

352 Glenlake Pool Modernization

Other Details:

- Contract in place with Gibsan Pools and Landscape Creations. Signed Oct 2020. Work began March 2021 to remove concrete in preparation for coping, decking, pump, and liner.
- Part of full pool modernization vision for 2021 pool season
- Other changes: Rear ladder not planned to be re-installed, but can be at any time. Will be available, but goal was clean look without ladder.
- No structural or shape changes to the pool. Remains Salt Water Pool!
- Will be a beautiful modern update to a backyard oasis!!
